MEMPHIS, TENN., SUNDAY, DECEMBER 7, 1884.

VOL. XLIV-NO. 296

a grand jubilee next Friday, "the intention being," says the News and Courier, "to make it worthy in every sense of its ton. Here the Confederate war began, Here, at last, will be celebrated the perfection of union and the consummation of peace. . The times are changed, indeed. Would that, on the day of the jubilee, the salutation of the Union flar, and the answering guns of Moultrie and of Johnson

THE Franklin Review predicts that the General Assembly of this State will take hold of the Railroad Commission act and by amendment prune it of all the constitutional defects that have been pointed out, and engraft upon it such other proper amendments as will protect the people from unjust discrimination by the railroads. It will also provide penalties in case the Commissioners fail or refuse to execute the law thus perfected and promulgated, and the commission, let us

swell the mighty chorus of reunion and

against the cheaper labor of the South, its ett, British consul at Old Calabar. easier mined ores, its abundance of coal and lime. Protect us against these enterprising Southern men who are putting prising Southern men who are putting morning, in commenting upon the Ger better iron on the market than ours and so man White Book, says: "The annexations much cheaper, notwithstanding railroad freights, that we cannot compete with them. But this cry, which goes up every day, must be heard unheeded by the national government because no imposts can be levied by it or by the Legislature of one by it or by the Legislature of one State against the citizens of another. Between the States there is and must be absolute free trade—the longest pole knocks down the persimmons. But these Northern iron men are rich in experiences of protection, and failing with the national and their State governments, they are appealing to the railroads to make the freight on Southern iron so high that it may operate in place of a tariff. But the railroad commissioners of twenty-six States at least will not permit this to be dene. They will protect the iron men of the South against so manifestly unjust a discrimination, which, by the way, proves the value of Railroad Commissions and their State governments, they are appealing to the railroads to make the freight on Southern iron so high that it may operate in place of a tariff. But the railroad commissioners of twenty-six States at least will not permit this to be dene. They will protect the iron men of the South against so manifestly unjust a discrimination, which, by the way, proves the value of Railroad Commissions and their State governments, they are appealing to the railroads to make the freight on Southern iron so high that it may operate in place of a tariff. But the railroad commissioners of twenty-six States at least will not permit this to be dene. They will protect the iron men of the South against so manifestly unjust a discrimination, which, by the way, proves the value of Railroad Commissions and their state of Glasgow to make the Liberals of Glasgow to make the London Association of Workingmen's Clubs protest against sectional representation. They say it will destroy caucus organization and vises the Liberals of Glasgow to make the London Association of Workingmen's Clubs protest against sections under the new redistribution bill. The managers of the London Association of Workingmen's Clubs protest against sectional representation. They say it will destroy caucus organization and vises the Liberals of Glasgow to make the London Association of Workingmen's Clubs protest against sectional representation. They say it will destroy caucus organization and vises the Liberals of Glasgow to make the London Association of Workingmen's Clubs protest again Northern iron men are rich in experiences the value of Railroad Commissions and to return eighty-five members to the shows how necessary it is to have a body liouse as soon as the redistribution bill that will interfere to prevent one part goes into effect. United Ireland declares another by unjust methods and unfair advantages. Trade should be absolutely free, that all may have the same chance to the final triumph of the National cause.

in the race for prosperity. It is a singular fact that where railroads are concerned there are persons who approve of and without question concede that in other matters directs and guides sensible men. For instance, a railroad company armounces that it will enter a town upon conditions, or will go round and away from it unless they are complied with, and forthwith a cry goes up: Give them what they want, give them anything they demand; we must have the railroad because it will bring business it in a condition of illures, and as being in a condition of illures, and as being in a condition of illures, and as being in a condition of with a few days before, approached her with an ax-helve, cursing her, and saying that "he was going to have a lawsuit in hell with her if she didn't pay him some more money." The affrighted lady gave thin \$5, after which two other tenants persuaded him to leave the yard. Couriers were sent to arouse the neighbors, who did defeated it in successive Reichstags with an ax-helve, cursing her, and saying that "he was going to have a lawsuit in hell with her if she didn't pay him some more money." The affrighted lady gave thin \$5, after which two other tenants persuaded him to leave the yard. Couriers were sent to arouse the neighbors, who did defeated it in successive Reichstags with an ax-helve, cursing her, and saying that "he was going to have a lawsuit in the sent which she had had with him a few days before, approached her with an ax-helve, cursing her, and saying that "he was going to have a lawsuit in the sent with an ax-helve, cursing her, and saying that "he was going to have a lawsuit in the sent with an ax-helve, cursing her, and saying that "he was going to have a lawsuit in the sent with a settlement which she had had with him a few days before, approached her with an ax-helve, cursing her, and saying that "he was going to have a lawsuit in the sent with an ax-helve, cursing her, and saying that "he was going to have a lawsuit in the with a settlement which she had had with him a few days before, approached her with an ax-helve, cursing her, and saying that "he was going to have a lawsuit in the sent with a settlement whi the railroad, because it will bring business and population to us. But here are our own enterprising citizens, the Milburns, John Randle, Wetter and Livermore—they have established great works and employ hundreds of men, bringing business to the city and helping to increase the wanted none but aristocrats in the Reichstag. This rallied all the elements of the opposition to the support of the measure, and the government received its wealth, and population. Who ever its wealth and population. Who ever its first overwhelming defeat of the sessuggested that they ought to have help, in soon. Ever since that time there has been the form of exclusive privileges on our streets, or that a public subscription should be made as a subvention of upon the budget, and a determination was their foundries and machine shops? shown to resist any increase of taxation.

What committee of merchants ever went the cotton on the 29th ultimo a Beichstag committee reported adversely on the Chancellor's about to secure privileges for the cotton hops? And yet these concerns have ac-omplished results the very same as are roposed or promised by the location of railroad machine shops. If Memphis is to tax for the location of shops and manufactohing and the tax would be found to be ter than the profits from all forms of mess combined. Memphis is not a vil She is a great center, with attractions that invite trade and population. She is one of the most thriving cities in the Union, with capacities and capabilities equal to a great future, and she invites co-operation in the development of these capabilities, upon the common basis of entergrise upon the common basis of enterpris has made our greatest comas he just before we are gen-eroas, and look to a future when not nine, but twenty nine railroads shall center Let us encourage and foster every form of enterprise in a just, fair, reasonable and enterprising saint, and not be led away by the crafts and subtleties of corpora-

that are not entitled to anything the city that any one citizen could not share in or also have for the asking. Taz murder of "Cap" Murphy in Nev ticians is a characteristic crime that has its tomehadowing in the infamous spirit of proscription that cropped up in many parts of the Union during and since the Presidential election, notably in the case of Mr. Blaine, the Republican candidate nounce the white people of the South be-Cleveland. It was the same spirit of in derance and impatience that impelled the murderers of Murphy to put him out opposed their purposes and they slew him. This spirit of intolerance is one of the curses of the times, and if it is not suppressed must lead to other and worse results. In Whitesburg, Ky., as a result reminds the Foreign Secretary that, under this morning all the seven persons injured of it murder is rampaut and running riol. defying all lawful authority and protecting red-handed criminals against the penalty of their crimes. In the New Orleans case Mayor Guillette, charging the City Council with covertly aiding and abetting the murderers by refusing him the aid he too Gov. McEnery, who has offered a reward of \$1000 for the arrest of the sav-ages who perpetrated the brutsi and ruf-feelly rolling. Refere the war New Orleans ward of \$1000 for the arrest of the savfishly crime. Before the war New Orleans enjoyed an unenviable reputation for what was then known as "thugism," as Baltimore did for its "blood tubs," New York for its "Empire Club" and Philadelphia for its rioters and murderers, hangers on of its volunteer Fire Dapartment. These "thuge," like the murderers of Marphy, were impatient of restraint, and money has been safely conveyed for the July, 1885. would not brook nor permit opposition, payment of troops.
